~Knight Masonry~

Knight Masonry contains those Degrees which are worked within a Council of Knight Masons under the jurisdiction of The Grand Council of Knight Masons.

The Grand Council of Knight Masons was formally constituted in 1923 to look after the Degrees which were previously worked by Royal Arch Chapters, Preceptors of High Knight Templars and the Prince Rose Croix Chapter.

Master Masons having become Mark Master Masons and Royal Arch Masons, may become Knight Masons by being invited to join a Council. By becoming a Knight Mason, one discovers a closer degree of intimacy and friendship as there are a relatively small number of Knight Mason Councils.

Members are encouraged to visit other Councils where they will always be made welcome.

Sir Knights and Cousins;
Greetings and salutations to all.
I would first like to say thank you for your confidence in me to serve as your Excellent Chief for the upcoming year. Hopefully we will grow our ranks and continue the Nobel work of our predecessors.
I would like to move the meetings around this year with the possibility of one in Lock Haven and one in Williamsport.
As usual we intend to have our annual picnic and continue to support our local community.
I pray that you will have a wonderful and blessed holiday season and encourage one and all to remember the less fortunate, more especially our fraternal brothers and their families.
God bless you and may health and prosperity be yours!
Fraternally
Keith Erb
Excellent Chief Elect
